

**Rev 22 Corporate Song
The River of Life**

For YOU for Me for ALL to be
Let go.....Let Godreveal and see
River of Life comes from the source
Restoring us to good health

His endless LOVE perpetually flows
If we go back to our basic needs –
To rest and restore
Love can do much more! (Instrumental)

Our healing power -a gift!
Of Love from heaven above!
His holy hand perpetually stretched.....
An endless string of gifts for us....
To reach out and pour...
To reach out and pour!

Love's endless gifts of rest for us
Brings sunrise, waterfalls.
Love is so generous!
Nature's healing powers!
No conditions!
God is my Friend
My Fri-end!
He gives us Lo-ve!
